SUBJECT: CANCELLATION OF BIDDING PROCESSES – SC/RP/GBN-01/2026 AND SC/RP/GBN-02/2026

The Gambling Board of Namibia ("the Board") hereby notifies all prospective bidders that the following bidding processes have been cancelled with immediate effect:

1. **SC/RP/GBN-01/2026: Supply, Deployment and Maintenance of a Central Electronic Monitoring System (CEMS) for the Gambling Board of Namibia.**

2. **SC/RP/GBN-02/2026: Procurement of Services for the Design, Customisation, Implementation, Support and Maintenance of an Automated and Integrated Licensing, Workflow Infrastructure and Document Management System for the Gambling Board of Namibia.**

The cancellation is undertaken in accordance with Section 54(1)(g) of the Public Procurement Act, 2015 (Act No. 15 of 2015), as amended, which permits a public entity to cancel a bidding process prior to the acceptance of a bid where the process "*does not create or achieve the expected outcome.*"

Following the issuance of the bidding documents and subsequent clarifications, the Board identified material omissions, ambiguities and inconsistencies in the bidding documents and the clarifications issued thereafter. The volume and nature of clarification requests received from prospective bidders further highlighted the need for a comprehensive review of the technical requirements, scope of services, evaluation criteria and other bidding conditions.

The Board has accordingly determined that proceeding with the bidding processes in their current form may not achieve the intended procurement outcomes, particularly with

regard to ensuring fair competition, a common understanding of the requirements among bidders, and the receipt of responsive and comparable bids.

In accordance with Sections 54(3) and 54(4) of the Act, the Board will review the reasons for the cancellation and amend the bidding documents, including the relevant technical specifications and contract conditions, before any reissuance of the tenders.

Both bidding processes are therefore cancelled with immediate effect. The Board will undertake the necessary revisions and reissue the tenders in due course through the applicable procurement publication platforms.

The Gambling Board of Namibia regrets any inconvenience caused and appreciates the interest and participation of all prospective bidders.

Yours faithfully,

GAMBLING BOARD OF NAMIBIA
